

Inglés básico. Nivel A2

En este segundo nivel básico, el estudiante continuará construyendo sobre los instrumentos fundamentales previamente aprendidos para comunicarse en inglés, pasando el alumno de A1 a nivel A2 de nivel básico del MCER (Marco Común Europeo de Referencia). Se reforzará el Presente Simple de los verbos más comunes, el uso correcto de los determinantes, pronombres de objeto, una introducción a los modos verbales y la sintaxis básica. También se tratará el vocabulario sobre temas como: el intercambio de números de teléfono y direcciones, hablar de fechas, describiendo la rutina diaria y dar instrucciones usando el imperativo. Este bloque tiene como objetivo ampliar la capacidad del alumno para comunicarse mediante el uso de tiempos pasados, presentes y futuros a nivel funcional y en situaciones referidas a las necesidades básicas. El estudiante ahora podrá entender a un hablante nativo, en situaciones como los viajes y el intercambio de información personal. Practicará la pronunciación mediante la repetición y la verbalización real de todo el nuevo vocabulario y las estructuras, dándole la oportunidad de aprendizaje para ganar la confianza y la fluidez desde el principio. Uno de los aspectos importantes de la metodología utilizada consiste en permitir al estudiante la libertad de practicar a su propio ritmo, basándose en los conocimientos previos existentes.
